Dear Amy,

What can I say. Not much. HA HA. Well let me start off by saying, "Thank you." There have been times when I've liked you, hated you, and yes, even loved you. You have alot of wonderful talent, and you are very ambitious. I've had fun and learned alot of things that a mature and responsible performer needs to have. Thank you for showing me the "light."

Well, we have had alot of outrageous times together. You are a very fun person to be with. I only wish we could do it more.

I wish you the best of luck at U of A. I know you'll do good at what ever you choose. Also I wanted to thank you for keeping alot of secrets. You are very trustworthy. I feel if I had a problem that I could come to you. Take Care in the future.

Love Ya

Have Fun at U. OF. A! Dont Forget me. And Remember whenever you need a Friend I'll be around OK? Love "80"

WE MISS YOU

You brightened up our lives
You know you always will
And even though you're not here now
We're thinking of you still.
We miss the time we used to see you
In the crowded halls
The times at rallies, games and such
When you were with us all.

Kelly Cambell and
Ellena Ochoa

Amy,
You are such a
sweet person to know
and love, & just can't
express my feelings to
you because this is just
a piece of paper but we can
always spend evenings stalking
to each other. When you are in
college give me a call or drop me a
letter and & will do the same. My
Memories of you will be ones to cherish
all my life. May you have a good future
and & don't want you to ever forget me
because & will be remembering you always
and forever until & die: & it makes me sad
to write this to you because & never
want to be without you and your great
support! Wish me luck in the future
years. Love & Friends Forever & ever!

Amyy babes,
This year was great!
It's hard to believe it's almost
over. I really enjoyed working
w/ "Thank Jews It's Friday" with you.
The night after doing night was great (I
hope your chest heals) and always remember—
"I knew that!" Best of luck at U of A and in
your theatrical career! You deserve it. You're a
great friend and I value our friendship muchly. Keep
touch next year. Take care!
Love,
Karen "Chrysler" Shapiro

Amy,
Since you have been
my friend you have
been a great influence
on me, I want to
thank you for that. I
hope you have a great
future in Drama (NAME
up in Lights.) AND then
I can tell my friends
that I knew you. Have
fun this summer.
Love,
Neil

Amy,
You really are a special
person to me. You helped
make my move here to
Phoenix very enjoyable.
My only regret was that
I didn't get to work with you
through Drama, but if luck
has it - maybe we will get
to in "Matthew". I'm sure
you are very talented - so
maybe someday - I'll see
you on "Broadway". I regret
not getting to know you better,
but I'm sure our paths will
cross again. Best Wishes
to you always - and I'll
never forget you!
Always,
Eric
Faulkner

AMY
IT'S BEEN GREAT KNOWING YOU THIS YEAR. HOPE YOU HAVE A GREAT SUMMER & GOOD LUCK IN YOUR FUTURE
LOVE
DAN

Amy,
Next year won't be nearly
as fun without you, and the
drama department won't have
any outstanding image to look
up to. I envy the college folks next
year. Good luck and break a leg
over and over in the future!
Doug Barnett

Amy,
It was great being friends with you.
You really helped me get involved in drama
and I'll really miss you a lot. The drama
club and the plays will lose a lot with
you gone. Good luck at the U of A
and write me now and then to tell me
how you're doing. Come back so we can
see you again. Take care, and have
a real great summer.
Love,
Steven

Amy,
We have been through a lot haven't we. Well at the end we turned out friends. Its going to be different (in drama) without you. Come back and visit. Good luck Next year and have a great summer.
Love ya,
Bonnie

Amy,
I enjoyed having Psychology with you this year (even though we had our differences!) You're a great girl. I hope you keep up with the acting and drama, and be as succesful as you can. Good Luck with whatever you do.
Chip Thelfall

Amy,
Congratulations You made it! Have a nice life where ever you go
John Chandler

Amy,
Wow, what can I tell you? I'm not sure just how it came about that we became such good friends. But I'm glad we did. I'm only sorry that you're not going to be here next year. I'm going to miss you, and miss seeing you in Drama. But I know you've got to go on to "Bigger and Better things", so people say. Come visit all of us, though I know it's going to be difficult since you're going to be [illegible] (what a joke!) I'll come see you and try to drag Chris [illegible] back with all [illegible] to say "hello to all us 'little people' when your name is up in lights"
Love ya lots
Jim

Amy,
I'm so happy for you! You really deserved the top drama senior! You are such a great actress. Thanks so much for your help and encouragement & support. Good-luck in college
Love
Richard

Amy,
I'm really glad I got to know you, your really a super great person. Keep in touch! 905-9303
Take it great,
Ginger

AMY,
Its been fun
sitting by you in
Government. I really
wish you ~~luck~~ luck
in your acting career.
Take Care. Anita Diller

Amy, Sorry [illegible]
I'm [illegible] we didn't have more together
[illegible] classes. I'll try to
any [illegible] & I hope
this year in [illegible]. Have a
stay in touch. Have a
you do too. Have a
& prosperous life!
Kathleen McLaughlin "80"

Good luck to Amy
in the arts! I
hope to see you
on stage in 1984!
Your friend,
[illegible]woods

Amy, Well I only had one year with you but it
was great.... Stay the way you are — thanks
for helping me through the year — hope to see
you next year. It's been.
